Volume 35 | January–March 2015

All I can see is wow!!! 2015...another year has gone by. It's amazing... we have been open eight years and still going strong! Thank you again for patronizing my little boutique... it really means a lot to see familiar faces each and every week! We are starting off the year, kicking the year 2015 off with the Chinese zodiac sign the Ram. People born in the Year of the Ram are said to be proper, patient, righteous, and sometimes shy... is that you? It's definitely not me! I'm the year of the monkey... enough said!

When you tear through these pages, look for some fun classes, including Parisian cards, our super popular Asian classes... and most of all the wonderful and talented Julie Ebersole is here! She's back in March. Sign up now, her classes are already booking fast! Have a wonderful and safe 2015!
