## Summertime at the Pavilions

This September we will celebrate our 6th year in business. We're so proud of our new location at the Pavilions shopping center. We hope you can visit us soon and take a class. Our new boutique is set for fun classes with a guest designer each month! Hooray! In July, please welcome Karen Lockhart to our new location. Karen is a master at colored pencils. This will be her first visit to the store. Also, please welcome back Wanda Guess for some Memory Box fun and Julie Ebersole for some new die cut and stamping techniques. We feel so honored to have these sought after instructors teach at our boutique and we are so happy you

have decided to make the Paper Garden, your shopping headquarters for all of your paper crafting and inspirational needs.

A few notes... please mark your calendars for our Anniversary Sale... Saturday, September 1st. We will have a big sale, special make and takes, and be the first to see new holiday releases from our favorite stamps companies. *Christmas in July* couldn't come any sooner... before you know it... we'll be ringing in the new year!
