Where creativity blossoms!

Spring Newsletter | Volume 76 | April / May / June 2025

This summer our son Miles turns 20 and he will be heading to the Land Down Under! A semester abroad in Australia. He's very excited and that means a trip to Aussie Land for Ken and I... stay tuned on the sights and sounds of the lucky country.

Take a look at our summer classes, one fun class we will offer is the simple shaker cards. Check it out! And our ever so popular asian card classes.. a new one each month. Where has the time gone???

A little tid bit about me...

Speaking on the topic of Australia—

When I was in high school, I drove to Valley Fair Mall in Santa Clara because a store called Koala Blues was opening up and Olivia Newton John who was an investor in this women's clothing store would be there to sign autographs. My girlfriends and I were big fans of Xanadu and Grease, so we went to buy Koala Blues sweatshirts so she could autograph them and we would get a golden ticket to take a photo with our favorite A-list movie star. We waited in line for two hours and had our sharpies in one hand and the other hand, the throw away plastic Kodak camera... I now wonder... what happened to that picture!!! It was also one of those silly crazy moments of "Why did I dress like Madonna and use a bottle of Shaper by Sebastian hair spray in my hair to look like that???" The super fun 80's... if we could only go back!
